Please find below the Food Packages that we have put together for our guests.

The price is per person so we can work with all group sizes big and small.
However there is a minimum of 5 guests required.

With all the bookings that require these packages, we need to know at least a week prior to arrival.

All items listed will be in the buildings that are booked on arrival. All cooking, serving and eating utensils are provided in the buildings.

Any special requirements may be made available upon request. Vegetarian Options are also available.
