Games room is available and can be used as a games room as it is or we can move the games room items outside and roll out carpet making this a great room for movie nights, group games or even a concert hall. The rate for hiring this room is \$50 per day or if you have booked the whole property there is no charge.

Catering if available if required or the buildings are all self-contained for self catering with fully equipped kitchens. If catering is required we ask that all guests bring along their own plastic cup or drink bottle and plates, bowls and cutlery.
